

# East 15 Acting School

## Fees and Funding

**Undergraduate Fees (Certificate of Higher Education Acting & Theatre Arts and all BA courses)** Our fees for undergraduate courses at East 15 are published [here](#). This site also included important information about fees for continuing courses, how we use your fees and annual fee changes.

### **Graduate Fees (all MA and MFA courses)**

A full list of fees is available [here](#). This site also includes information about annual fee changes and tuition fee policies.

### **Course Deposit**

All applicants that are offered a place at East 15 are required to pay a £200 course deposit. Please ensure that you read the [full terms and conditions](#) for this payment.

### **Additional costs**

Please note that East 15 students are required to purchase additional compulsory scripts, equipment and kit. Students are also encouraged to attend a number of professional performances throughout the year. Details relating to these additional costs vary by year and by course. As a guide, you can download the current equipment lists and costs [here](#). The lists are usually updated in August each year with the information for the new academic year.

### **Support**

Applicants/students requiring additional financial support should [investigate funding here](#) and can contact the [Student Information Team via email](#).
