MFA ACTING (INTERNATIONAL) PRESENTS:

ASIAN EXCLUSION ACT

WRITTEN BY & DIRECTED BY | DANIEL YORK LOH

ABOUT THE SHOW

Chinese artist Hong is intrigued when she is commissioned to exhibit at the Chinese Space For Contemporary Art – one of the very few art spaces specifically for ‘Chinese’ art in the whole of Europe.

The racial make-up of the space’s management raises many questions though – which only inspires Hong to dig deep into the history of Asian exclusion in the West, from entry into countries, societies, art and stories from 1800’s America through war-time Liverpool to modern Britain via satire, tragedy and, of course, art.
