

EQUIPMENT LIST

The list below is intended to help you prepare for a variety of classes and activities. We have provided approximate costs based on our research, but we recommend shopping around to find the most affordable options.

Please read through this thoroughly and make sure you're prepared to start work! During your first week we will check that you have all the essential items on the list (marked in green) – other items will be needed by the time you start on your first show roles in mid-November.

If you have any questions or are unsure about the equipment you need, please [get in touch with the Head of Course](#) directly.

For expenditure related to your studies		Approx. cost
1.	We suggest you put some funds aside each year to pay for theatre trips. We would like you to see at least one professional production each term. Where students are involved in performances (related to their course) at locations other than East 15, where possible, we will provide support with transport to and from the venue. However, students may, on occasion, be required to fund their own transport.	£180
