SLEEPING BEAUTY

WRITTEN BY | RUFUS NORRIS

DIRECTED BY | LOUISE AMOS

Cursed by a rather spiteful fairy, a princess pricks her finger and falls asleep for a 100 years. Until, of course, a handsome prince awakens her.

But what happens after is unforeseen and it certainly isn't a princess's dream!

The Prince's mother is a hungry ogress who likes a tender human child, or two, and whilst the fairy tries to put things right, our princess finds she must take flight...
